## **CAMPGROUND AND PICNIC AREA RULES AND REGULATIONS**

**PALM SPRINGS, CA** – There are several campgrounds and picnic areas for families to take advantage of at the top of the Palm Springs Aerial Tramway on Mount San Jacinto. However, there are a series of regulations visitors must follow to ensure the safety of both visitors, and the wildlife in the Mount San Jacinto State Park & Wilderness.

A Wilderness permit is required for any backpacking or hiking in the Wilderness. Requests for an advance permit may be made in person or in writing. No phone or fax requests can be accepted.

Campers must have a permit from the agency in the area they are camping; day hikers may use a State or Federal Permit.

Camping is permitted only in designated campgrounds in the State Wilderness.

Cans, bottles, foil must be packed out. Never bury your refuse. Everything must be packed out.

No smoking is permitted on trails.

All plant and animal life are protected by State and Federal laws. Do not remove or disturb them.

Stay on trails.

Campers and hikers under 18 years of age must be accompanied by an adult.

No campfires. Gas cooking stoves okay.
