## **CELEBRATE YOUR LOVE AT THE PALM SPRINGS AERIAL TRAMWAY**

**Book Your Bachelorette Party, Wedding Reception or Rehearsal Dinner at 8,516 feet!**

### **Overview**

If you are looking for a spectacular, beautiful, and breathtaking location to celebrate your special day, look no further than the Palm Springs Aerial Tramway. Located nearly 3 miles above the Coachella Valley, you and your guests will have panoramic views of the 9 local valley cities, as well as the alpine forest backdrop of the Mount San Jacinto State Park and Wilderness.

Begin your journey of celebration with a 10-minute ride aboard the World's largest rotating tramcar and the only rotating tramcar in the Western Hemisphere. Guests will experience 360-degree aerial views of towering rock formations, five different zones of flora and fauna, and a brief history of the technical marvel that is the Palm Springs Aerial Tramway.

With three locations to choose from, the Palm Springs Aerial Tramway has what it takes to make your wedding celebration memorable. The Peaks Restaurant offers a fine dining experience with a skyline view of the Little San Bernardino Mountains and desert floor below. If you're looking for sweeping views of mountain tops and pine trees, book your party in our Francis Crocker private banquet room. For smaller groups of 24 or less, our Culver Nichols Room provides a more intimate reception with views of the Mount San Jacinto Peak.

To book your wedding reception or rehearsal dinner, please contact our Group Sales Manager, Monica Murillo, at [mmurillo@pstramway.com](mailto:mmurillo@pstramway.com).
