Passholders can take advantage of the cooler mountain climate, as temperatures at the top of the Tramway are typically 30-40 degrees lower than the valley floor.

Summer Passes are \$85 for adults and seniors, and \$45 for children ages 3-10. Beginning May 1, guests may purchase their Summer Pass online at <https://pstramway.com/tickets/> or in-person at the Tramway’s Valley Station.

Beyond the **breathtaking views** from the Tramway’s Mountain Station, passholders can enjoy over 50 miles of hiking trails, picnic areas and campgrounds in the 14,000-acre pristine wilderness of **Mount San Jacinto State Park**.

At the Mountain Station, guests can also browse the **gift shop**, explore the **natural history museum**, and watch **two documentary films** about the Tramway and the surrounding State Park. For a fine dining experience with spectacular views, **Peaks Restaurant** is the perfect choice. Cocktails are also available in the **Lookout Lounge**. Searching for kid-friendly dining? **Pines Café**, a cafeteria-style restaurant, offers something for the entire family to enjoy.
